

Welcome to our wine list which we have recently updated. These wines which we have selected speak of their origins and all of them represent great value relative to their price.

For our regular guests, we can assure you that much remains unchanged. We retain a wide selection of carefully chosen wines from both the classic regions and from the up and coming wine producing countries.

We hope that you will enjoy our selection.

“Le Verre De Vin” Preservation System

Our still wines are preserved by a unique system that uses the “Verre De Vin” Preservation unit.

This unit uses a vacuum & seal method to ensure the quality of every glass is the same as the first!
